All, I have attached notes we captured on major points of discussion, concerns and action items during our first coordination meeting with the YPT last Friday and the PowerPoint presentation they developed and went through during the meeting. I will forward the proposed agenda for the WRPT coordination meeting, scheduled for tomorrow morning, in a separate email. As we discussed in the call today, the last three slides of the presentation introduce the Tribe's expectations and requests for support. If you have any questions, please feel free to ask...thanks.
